RollKall

Your Vendor Paid Details Made Easy

Dedicated to law enforcement, RollKall simplifies every aspect of extra-duty so agencies and officers can focus on what's most important: protecting and serving their communities.

The RollKall Advantage

Scheduling, Assignment, Invoicing and Payments - All in One Place

Schedule and fill job requests quickly and easily
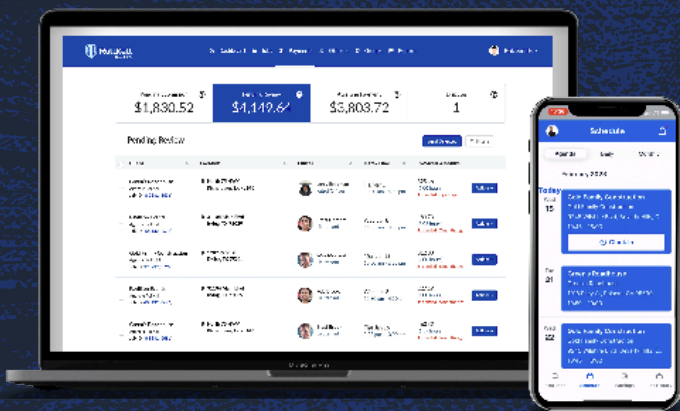

Manage your department's compliance

See all the job details...anytime, anywhere

Expedite invoices and payments

General liability, workers' comp, and occupational accident insurance

Operated securely online via web browser and mobile app

RollKall is NO cost to the LEA and to the LEO, with NO taxpayer burden.

Simplify Extra-Duty & Meet Everyone's Needs

Executive & Command Staff
GREATER OVERSIGHT

✓ **Transparency with Reporting:** Robust reporting for insights into all extra-duty job details including hours worked, location and vendor information.

✓ **Access to Details:** Easily confirm key details of job activity to better reinforce department policies.

Coordinators
STREAMLINED ADMINISTRATION

✓ **Simplify Operations:** Post jobs, assign officers, manage call-offs, and handle payments and invoicing all in one place.

✓ **Fair, Flexible Job Assignments:** Post jobs based on agency guidelines such as "first come, first served," by seniority, hours worked, and more.

Officers
ACCESS TO EXTRA JOBS

✓ **Find and Apply for Jobs:** Get job details including the hourly rate, number of hours and location.

✓ **Fast Payment Options:** With the InstantPay option on select jobs, payment can be direct deposited at the end of shift.
